Re: 2018 Expedited Charter Renewal Approval for
International Leadership of Texas ILT (057-848)

Dear Mr. Williams:

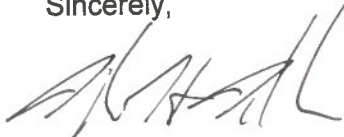

I am pleased to inform you that the charter renewal petition for International Leadership of Texas has been approved for a term of 10 years. Congratulations on this milestone, and thank you for providing a quality education to the students of Texas.

The operation of a charter school is a difficult endeavor and not one to be taken lightly. Please accept the approval of your charter petition as an extension of the state's confidence in your ability to responsibly serve students and, perhaps more importantly, your conviction to sustain and foster such successful operations. Please remember that the renewal of the charter, while approved for a ten-year term, does not provide for exemptions from statutory or administrative provisions as specified in Texas Education and Administrative Codes. We must all remain steadfast in our commitment to the students of Texas and continually strive to exceed the accountability expectations and standards that cultivate success inside and outside of the classroom.

A renewal charter contract is currently being finalized and will be sent to you in the coming months. Once signed, the contract will be effective August 1, 2018 for a term to expire on July 31, 2028 at which time your organization will have the opportunity to submit another petition for a ten-year charter renewal term.

Again, congratulations on this accomplishment, and I look forward to our continued work together as we provide the leadership, guidance, and resources to meet the educational needs of all students and prepare them for success in the global economy.

Sincerely,

Mike Morath
Commissioner of Education

Cc: Mr. Edward G. Conger, Superintendent
